Dear Tiverton Families,

We are very excited to offer an Afterschool Program at Sandywoods. We have offered Afterschool Programs on Aquidneck Island for decades and look forward to a great community collaboration with Tiverton School District and Sandywoods. Our Summer Camp at Sandywoods has been successful in recent years, but this year has doubled in participants. We are very fortunate to have a wonderful space, and look forward to opening our program up to other collaborations.

Our Afterschool Staff are educated, and go through a multitude of trainings, and background checks to make sure we have the most suitable staff for your children. Some of our trainings are:

*Child Abuse Prevention

*OSHA

*Darkness to Light

*CPR/First Aid

*YMCA 101

PLUS* 20 hours of training in the educational field per year.

I hope you can join us at our **Open House on Thursday, September 15, from 430-6pm at Sandywoods.** Come check out our space, ask questions, and let your kids hang out!

Thank you,

Shannon D'Eramo

Senior Program Director
